Re: Change of Benchmark for the Issuer’s Student Loan Asset-Backed Notes Series 2010-1 (the “Securities”) and Benchmark Conforming Changes by Operation of Law

Greetings:

Reference is made to the Indenture of Trust, dated as of April 1, 2010 (as amended, restated, supplemented or otherwise modified, the “Indenture”), by and among the Issuer and you, as Indenture Trustee and Eligible Lender Trustee, pursuant to which the Securities were issued. Capitalized terms used and not otherwise defined herein shall have the respective meanings ascribed to such terms in the Indenture or the hereafter defined Federal LIBOR Act or the Regulations. Certain classes or series of Securities issued under the Indenture bear interest at variable rates that are periodically adjusted based on a benchmark of three-month LIBOR (all such securities, collectively, the “LIBOR Securities”) plus an applicable spread (the “Existing Spread”). Each series or class of LIBOR Securities and the Existing Spread applicable thereto are identified on Schedule I attached hereto.

On March 5, 2021, the United Kingdom’s Financial Conduct Authority announced that LIBOR will cease to be provided or will no longer be representative after June 30, 2023 with respect to three-month LIBOR. Reference is further made to the Adjustable Interest Rate (LIBOR) Act (the “Federal LIBOR Act”) signed into law on March 15, 2022 as part of Consolidated Appropriations Act of 2022, and the Regulation Implementing the Adjustable Interest Rate (LIBOR) Act adopted by the Board of Governors of the Federal Reserve System (the “Board”), effective February 27, 2023, (12 CFR Part 253, Regulation ZZ) (the “Regulation”). Pursuant to the foregoing, on and after the LIBOR replacement date¹, the applicable Board-selected benchmark replacement which is based on the Secured Overnight Financing Rate published by the Federal Reserve Bank of New

¹ “LIBOR replacement date” means the first London banking day after June 30, 2023, unless the Board determines that any LIBOR tenor will cease to be published or cease to be representative on a different date. See Section 253.2 of the Regulation.

York or any successor administrator (“SOFR”)² plus a tenor spread adjustment (the “Board-Selected Benchmark Replacement”) shall, by operation of law, be the benchmark replacement for the LIBOR contracts identified in Section 253.3(a) of the Regulation (except to the extent that an exception in paragraph (b) of Section 253.3(a) applies). The tenor spread adjustments identified in the LIBOR Act and by the Board are set forth in Section 253.4(b).

The Indenture and the LIBOR Securities do not contain a benchmark rate fallback provision (or any such fallback provision is itself based on LIBOR) and does not authorize a person to select a benchmark replacement rate and, as such, the LIBOR Securities and the Indenture fall within the LIBOR contracts identified in Section 253.3(a) of the Regulation and do not fall within any exception contained in paragraph (b) of such Section. More than 50% of the trust estate securing the Securities consists of Federal Family Education Loan Program loans.

Change to Interest Rate Benchmark

By operation of law pursuant to the Federal LIBOR Act and the Regulation, including, without limitation, Sections 253.4(b)(4) and (c)(3) thereof, effective as of the LIBOR replacement date, you are notified and instructed that: (1) the interest rate on the LIBOR Securities that currently have a benchmark of three-month LIBOR shall be calculated based on a benchmark of 90-day Average SOFR³ plus the tenor spread adjustment of 0.26161%, and all references to three-month LIBOR or words of similar import in the Securities and the Indenture shall be replaced with 90-day Average SOFR plus the tenor spread adjustment. The tenor spread adjustment is a component of the Board-Selected Benchmark Replacement and does not replace the applicable Existing Spread which shall continue to apply.

Schedule I sets forth the Board-Selected Benchmark Replacement (including the applicable tenor spread adjustment) and the Existing Spread that shall apply by operation of law to each class or series of LIBOR Securities after the LIBOR replacement date without further action of any person.

Benchmark Replacement Conforming Changes

By operation of law pursuant to the Federal LIBOR Act and Section 233.5 of the Regulations, on and after the LIBOR replacement date, the following Benchmark Replacement Conforming Changes,⁴ together with any other Benchmark Replacement Conforming Changes that may be published by the Board from time to time by regulation or order, shall become an integral part of the Indenture and the LIBOR Securities:

² See Section 253.2 of the Regulation.

³ “90-day Average SOFR” means the 90-calendar-day compounded average of SOFR, as published by the Federal Reserve Bank of New York or any successor administrator. See Section 253.2 of the Regulation.

⁴ “Benchmark Replacement Conforming Changes” are defined in the LIBOR Act to mean any technical, administrative, or operational changes, alternations, or modifications that— (A) the Board determines, in its discretion, would address one or more issues affecting the implementation, administration, and calculation of the Board-Selected Benchmark Replacement in LIBOR contracts; or (B) solely with respect to a LIBOR Contract that is not a Consumer Loan, in the reasonable judgment of a Calculating Person, are otherwise necessary or appropriate to permit the implementation, administration, and calculation of the Board-Selected Benchmark Replacement under or in respect of a LIBOR Contract after giving due consideration to any Benchmark Replacement Conforming Changes under subparagraph (A).

1. Any reference to a specified source for LIBOR (such as a particular newspaper, website, or screen) shall be replaced with the publication of 90-day Average SOFR as set forth on Schedule I hereto, (inclusive or exclusive of the relevant tenor spread adjustment identified in Section 253.4(c) of the Regulation and identified for each class or series of LIBOR Securities on Schedule I hereto), by either The Federal Reserve Bank of New York (the relevant benchmark administrator with respect to 90-day Average SOFR pursuant to the Regulations (the “Relevant Benchmark Administrator”) or any third party authorized by such Relevant Benchmark Administrator to publish 90-day Average SOFR.

2. Any reference to a particular time of day for determining LIBOR (such as 11:00 a.m. London time) shall be replaced with the standard publication time for the 90-day Average SOFR (inclusive or exclusive of the relevant tenor spread adjustment identified in Section 253.4(c) of the Regulation and identified for each class or series of LIBOR Securities on Schedule I hereto), as established by the Relevant Benchmark Administrator.

3. Any provision of the Indenture or the LIBOR Securities requiring use of a combination (such as an average) of LIBOR values over a period of time that spans the LIBOR replacement date shall be modified to provide that the combination shall be calculated consistent with that contractual provision using (i) the applicable LIBOR for any date prior to the LIBOR replacement date and (ii) 90-day Average SOFR for any date on or following the LIBOR replacement date, respectively.

4. To the extent 90-day Average SOFR is not available or published on a particular day indicated in the Indenture or the LIBOR Securities as the determination date, the most recently available publication of 90-day Average SOFR will apply.

WITNESS my hand as of the date first written above.

SCHEDULE I

LIBOR Securities Subject to Benchmark Replacement						
Description of Securities	CUSIP#	Original Principal Amount	Original Benchmark	Existing Spread	New Benchmark	Tenor Spread Adjustment
Series 2010-1 (2010A-1)	10623PDU1	\$87,170,000	Three-Month LIBOR	0.90%	90-Day Average SOFR	0.26161%

Note: The new benchmark (90-day Average SOFR) will be effective as of July 1, 2023 for all determinations of the benchmark on or after such date. Because the LIBOR Determination Date for the Accrual Period ending on September 24, 2023 will occur prior to July 1, 2023, Three-Month LIBOR will be the benchmark for the Accrual Period ending on September 24, 2023, and 90-day Average SOFR will be the benchmark for the Accrual Period beginning on September 25, 2023 and each Accrual Period thereafter.

EXHIBIT B

BSFC 2010

LIBOR Securities Subject to Benchmark Replacement						
Description of Securities	CUSIP#	Original Principal Amount	Original Benchmark	Existing Spread	New Benchmark	Tenor Spread Adjustment
Series 2010-1 (2010A-1)	10623PDU1	\$87,170,000	Three-Month LIBOR	0.90%	90-Day Average SOFR	0.26161%

Note: The new benchmark (90-day Average SOFR) will be effective as of July 1, 2023 for all determinations of the benchmark on or after such date. Because the LIBOR Determination Date for the Accrual Period ending on September 24, 2023 will occur prior to July 1, 2023, Three-Month LIBOR will be the benchmark for the Accrual Period ending on September 24, 2023, and 90-day Average SOFR will be the benchmark for the Accrual Period beginning on September 25, 2023 and each Accrual Period thereafter.
